bracket included

One cable  
plug and play

On screen  
control

## THE SEAMLESS SETUP FOR YOUR CONFERENCE CALL

Newline soundbar with integrated camera is a designated match with both ATLAS and MIRA. The easy installation bracket and unique one cable connection to plug and play will simply change your favorite Newline panel into an all-in-one videoconferencing solution! The camera allows 15 degree tilt for quick adaption to the setting, like number of participants and room size. The 4K/UHD resolution ensures crystalclear image quality for the meeting attendees. The sound can be controlled on screen, so no need for the remote control. Power up your Newline display for a quick start of your conference call!
